Incidents/Injuries

A 15-month-old baby became entangled in the TASSA NATT lamp's cord and nearly strangled. This incident, and the death of a 16-month-old baby who died after getting entangled in the SMILA lamp's cord, were reported in the previous [recall](#). In both incidents, which occurred in Europe, the lamp cord was pulled into the crib by the infants.

Remedy

Consumers should immediately stop using the recalled lamps, remove them from the wall and contact IKEA for a free repair kit. Do not use the lamp until the repair kit is installed. The repair kit has self-adhesive fasteners for attaching the lamp's cord to the wall as well as safety instructions.
